Trek Parts - TREK Cleaning Machines is a manufacturer of cleaning equipment. Jim Hartsock, Chris Knowlton and Bob O'Hara, TREK's founders, have more than sixty years of experience successfully marketing, manufacturing, designing, developing and providing customer support. The company's cutting edge flair is a reflection of the entrepreneurial style of the founders. They really believe in delivering true value to their clients and are committed to giving top quality and new design concepts in order to meet the diverse requirements of their clients.

TREK Cleaning Machines continually provides fresh design concepts as shown in their product development. They enjoy providing products which energize both their partners and their dealers and offer production gains to their clients.

The team at TREK enjoys tackling new tasks and challenges. They are proud to launch their new Torsion scrubber line and all of its breakthrough technology. This particular line was motivated by the comprehension of operators' needs and skills together with their understanding of cleaning applications, together with owners' strong desire to considerably reduce expense through productivity gains.

When considered necessary, the staff members within TREK and its many dealer members in both technical support and parts would be obtainable. Among their core values is their high service commitment in their customer service. Keeping their customers' cleaning equipment ready and running daily is top priority. The company's top of the line technology delivers reliable equipment that eventually reduces your cleaning expense. The service, the product and the price all work together so as to make them an industry leader.
